About.

Scorpio Entertainment was established in the fall of 2005 by Edward Daniels, an award-winning actor in Washington, DC. Daniels began his career in music as a radio announcer at the age of 16 at WEVA-AM86 Radio in Emporia, VA. As a supplement to a busy career in theatre, he began work as a karaoke host at Freddie's Beach Bar in Arlington, VA. He produced the highly successful *Karaoke Largo* contest in 2005, which was featured in the Nightlife section of the [Washington Post](#).

Daniels went on to become Entertainment Director at FoodBarDC, where he produced Monday Night Karaoke as well as Thursday Night Trivia, two extremely successful events. His 2006 *Ultimate Trivia Challenge* packed the local bar and also received mention in the [Washington Post](#). After several requests from patrons, ranging from business professionals to Bachelorette parties, to entertain and produce private events, Daniels ventured out as a sole proprietor and Scorpio Entertainment was born.

Scorpio Entertainment produces a myriad of events each year ranging from Sweet 16s to Platinum Weddings, from residential pool parties to campaign victory rallies on Capitol Hill. Our music library contains over 15,000 titles, including the Top 40 Billboard singles from the past 35 years, including genres ranging from Pop, Retro 70s, 80s, & 90s, Rock, R&B, Hip Hop, Techno, Reggae, Dancehall, House, Motown, Oldies and more.

Our staff of professional DJs each has a unique style of entertaining which focuses primarily on the crowd for which he or she is playing. Each associate travels with the most state-of-the-art equipment and our company boasts a vast inventory of dramatic lighting and special effects, which help to transform and enhance any event in production.

Scorpio Entertainment's hallmark is to customize and produce amazing events which feature music and activity that delight, exceed expectations, and foster unforgettable memories for all attendees. No matter what the occasion, we're here to create entertainment that won't soon be forgotten!
